## WELCOME, HÖRMANN LLC

In 2018, federal, state, and regional officials gathered near the White County airport for the announcement that Hörmann LLC would invest approximately \$64 million to establish a manufacturing facility in White County. On Friday, leaders gathered once again; this time to celebrate the grand opening of the 325,000 square-foot facility.

#### FENTRESS UCHRA DISTRIBUTED 1,296 BOXES OF FOOD

Last week, Fentress County UCHRA and its community partners and volunteers distributed 1,296 30-pound boxes of fresh food to the community. Announced earlier this year as part of the Coronavirus Food Assistance Program, USDA is exercising authority under the Families First Coronavirus Response Act to purchase and distribute agricultural products to those in need.

Through this program, USDA's Agricultural Marketing Service (AMS) has partnered with national, regional, and local distributors (whose workforces have been significantly impacted by the closure of restaurants, hotels, and other foodservice businesses) to purchase up to \$4 billion in fresh produce, dairy and meat products from American producers of all sizes.

The program will supply food boxes of fresh fruits and vegetables, dairy products, meat products, and a combination box of fresh produce, dairy, or meat products. Distributors will package these products into family-sized boxes, then transport them to food banks, community and faith-based organizations, and other non-profits serving Americans in need. The value of the 1,296 30-pound boxes was estimated to total \$64,476.
