COMMUNITY TEAMWORK IN ACTION!

This week, UCHRA staff members joined other local organizations to aid in the annual point-in-time count of the homeless population in Putnam County. During the population count, volunteers were also able to engage with unsheltered homeless individuals to provide hygiene items and ready-to-eat food.

KNEPP SELECTED TO SERVE ON FIELD VETTING TEAM FOR SSBG PROGRAM

UCHRA In-Home Services Manager Jennifer Knepp has been selected by the state office to serve on the Field Vetting Team for the Social Services Block Grant (SSBG) program. Through this process, the Department of Human Services (DHS) will send draft policies to Jennifer, and other team members, to review. Members of the Field Vetting Team will then have an opportunity to provide feedback on these draft policies before they are disseminated statewide.

SSBG, Social Services Block Grant, provides in-home services to vulnerable adults who have been referred by Adult Protective Services (APS). Congratulations on this honor, Jennifer! Jennifer is a five-year employee of UCHRA and is part of the agency's Community Services team.
