

A moment to focus on the good our team is doing every day

Out in the Field

Infant care supplies were provided to three families in need this week through the Van Buren County Head Start.

Meet the new addition to the Upper Cumberland SHIP team: The Medicare Bear!

This fluffy friend will act as a mascot for SHIP to encourage more engagement with prospective clients and volunteers.

Send your name suggestions to asmith@ucdd.org by March 17.

ANIMEALS CLIENT REACHES OUT TO EXPRESS GRATITUDE FOR PROGRAM, ASSISTANCE

The following was submitted by an Animeals client and has been edited for length and clarity.

"In the past year, my family and I have been through more than we can handle and the simple act of receiving pet food has been a big help.

We lost our home to the tornado in March 2020. I lost my mother in November and, just a couple of weeks later, I lost my father.

This past year has not been easy but knowing our Nipsy and Layla have been taken care of has been a relief to me. Our pets are our family so we are grateful to know that others care."

- Jennifer
