## UCAAAD APPLIES FOR ADDITIONAL ANI-MEALS GRANT FUNDING

UCDD's Area Agency on Aging and Disability team is going after a new grant to help continue the Ani-Meals pet food delivery program into its second year. Sara Martin, AAAD Family Caregiver/Evidence-Based Assistant, recently submitted a grant proposal during the latest grant application cycle.

In 2020, UCAAAD received \$2,500 Meals on Wheels Loves Pets grant from Meals on Wheels America and PetSmart Charities to support home-delivered meal clients and their pets. From September 2020 through January 2021, Ani-Meals provided more than 2,300 pounds of pet food to more than two dozen home-delivered meal clients throughout Putnam County. While grant funding originally ended in January, the program was able to continue through May 2021 as a result of donations from members of the community.

Martin says she hopes the grant will allow the program to extend past June and into Warren County.

The internal partnership between UCHRA's Community Corrections and Community Services continues.

We appreciate the hard work that these men and women do to help ensure those in need of commodities are served quickly and efficiently.
