GOVCON 2021

The Upper Cumberland region and UCDD are well represented at the TNECD Governor's Conference 2021. Our team joins Governor Bill Lee and TNECD Commissioner Bob Rolfe as they host hundreds of state and local officials, business executives, and economic development professionals to share more about Tennessee's strides in business recruitment and job creation, and the programs helping to build strong communities throughout the state.

SSBG DONATION TO AID IN-HOME SERVICES CLIENTS

The Social Services Block Grant (SSBG) was able to purchase cleaning supplies for in-home services clients by utilizing COVID funds. Jennifer Knepp, In-Home Services Manager, and her team, Melissa Moore, In-Home Services Specialist, and volunteer Adam Knepp shopped for all of the supplies, which took four carts to hold. Jennifer is working to get all supplies delivered to the clients with the help of our In-Home Services staff.

WAY TO GO, NESTOR!

Yesterday, the UCDD Aging team celebrated Nestor as he has now officially lost 100 lbs. Congratulations on reaching your fitness goals!

This photo was shared to the UCRHA Facebook page by Dylcia Cowan. Dylcia says: "Teaching him about being grateful and aware of how Blessed he is not to have to wonder where his next meal is coming from."

Thank you so much, Dylcia! We are so thankful for your generosity.

The supervisor came out to talk to me and was very sweet. She took her time to explain everything and made sure all of the information was correct. She even made sure to inform the bus driver of my concerns who in turn calmed all my nerves. Overall a wonderful experience with a very careful supervisor.
