UCDD AGING STAFF COMPLETE CASE MANAGEMENT TRAINING, EARN CERTIFICATES

Congratulations to six (6) AAAD team members for receiving their certificates in completing the case management course through the Southeastern Association of Community Action Agencies. The course began in late May and lasted for eight (8) weeks, with a new module each week. By receiving these certificates, they have shown a good understanding of theories and concepts related to case management. Good job Alana, Clare, Holly, Kellie, Linda, and Miranda!

UCDD RECOGNIZED AS COMMUNITY PARTNER OF THE YEAR BY TENNESSEE SUICIDE PREVENTION NETWORK

On Sept. 9, UCDD was recognized as Statewide Community Partner of the Year by Tennessee Suicide Prevention Network (TSPN). Our team works diligently to support suicide prevention efforts.

TSPN is a statewide public-private organization and association of agencies, advocates, consumers, professionals, including but not limited to counselors, mental health professionals, physicians, clergy, journalists, social workers, law enforcement as well as survivors and individuals with lived experience. TSPN also provides resources for suicide attempt and suicide loss survivors as well as organizations.
