## THANK YOU SEN. BAILEY, COMPTROLLER MUMPOWER FOR ARP INFO PRESENTATION

Thank you Senator Paul Bailey for arranging Thursday's American Rescue Plan presentation and to Jason Mumpower, Tennessee Comptroller of the Treasury, for providing the presentation. We were also honored to also have State Representative Ryan Williams present as well as representatives from Congressman John Rose's office and many of our city and county mayors.

The Senior & Caregiver Expo Committee has been hard at work planning and strategizing on how we can safely move forward with this Fall's expo event. Here is what you need to know as a vendor and partner for the 2021 Expo:

## EXPO TEAM ANNOUNCES CHANGES TO 2021 EVENT FORMAT

- Rain or shine, the event will still be held at Life Church of Cookeville on Tuesday, Oct. 26.
- Due to this being a drive-thru event and the church is located next to the local high school, we are moving the time of the event to 9 a.m. - 1 p.m. to limit traffic.
- We will not be giving away door prizes this year. Thank you to those who had agreed to donate. If you would like, you may still give away your door prize at your own station however you see fit.
- With this being a Trunk-or-Treat style event, we are encouraging our vendors to bring their company-wrapped cars and/or tents, and decorate their trunks to go along with our theme.

## UCHRA'S GO UPPER CUMBERLAND PUBLIC TRANSPORTATION ROUTE MARKS TWO YEARS IN MCMINNVILLE, CELEBRATES NEW BUS SHELTERS

On Sept. 21, staff and leadership representing Upper Cumberland Human Resource Agency (UCHRA) joined with local and city officials to celebrate the ribbon cutting of the Go Route's five new bus shelters.

Located at several high-traffic areas within the city of McMinnville, these new bus shelters provide safe, comfortable, and high-visibility waiting areas for individuals using the Go Upper Cumberland public transportation route.

The new shelters are located at Cascade Avenue, East End Drive, East Main at Beersheba Towers, Milner Recreation Center, and Riverfront Park. On Tuesday, representatives of UCHRA along with local elected officials came together to celebrate a ribbon-cutting at the Milner Recreation Center bus shelter.

"We are excited to be able to offer these new shelters to our clients," said Holly Montooth, UCHRA Public Transportation Director. "This project wouldn't have been possible without the support and assistance of the City of McMinnville and Warren County and we are so grateful for the work these teams have done

to bring this project to life."

"So much of what we do is in support of the cities and communities we serve and we couldn't do what we do without their support in return," said Mark Farley, UCHRA Executive Director. "As we celebrate two years of inner-city bus service, we want to thank the city and county for their support in making this route so successful."

The new shelters will feature way-finding maps and signage to help riders navigate the local route system. The cost to ride is \$1 per trip, with half-price fares for veterans, disabled residents, and seniors 60 and older. Frequent riders can purchase a one-day pass for unlimited rides for \$3 or a monthly pass for \$25 that includes 30 rides. The bus shelter funding coming from the Tennessee Department of Transportation (TDOT) through the Improve Grant.

UCHRA Public Transportation is currently hiring new drivers to join the team.
