## UCDD EMPLOYEES RAISE MONEY, DELIVER TREATS TO CRMC EMPLOYEES

UCDD Housing team members Amy Reels and Angie Lankford collected money to provide 'thank you' treats to employees at Cookeville Regional Medical Center; raising \$177 to provide breakfast for employees. Amy and Angie delivered a dozen donuts and McDonald's breakfast to the Vascular Lab and two dozen donuts and McDonald's breakfast to the ER staff.

Thank you very much to all who donated. The CRMC staff were all so very thankful and appreciated the food. On Oct. 18, they will deliver sandwiches and pinwheels to ICU staff.

Great work, Amy and Angie!
