

A moment to focus on the good our team is doing every day

EMPOWER UC SUMMIT HELD

As the TANF Opportunity Act collaboration, Empower UC, prepares to submit its proposal for the \$25 million implementation grant, leaders and representatives from across the Upper Cumberland gathered to learn more about the project and celebrate the near-completion of the proposal package. This proposal will be submitted next week. For more information, visit www.empoweruppercumberland.org and see additional photos from the event below.
