Low Income Water Assistance Program

UCHRA ANNOUNCES WATER BILL ASSISTANCE PROGRAM

The Upper Cumberland Human Resource Agency (UCHRA) has announced the rollout of a new temporary emergency program aimed at helping low-income families pay overdue water and wastewater bills.

The Low-Income Home Water Assistance Program, or LIHWAP, is a grant that families do not have to repay. Families do not need to have a past due water bill, do not have to be on public assistance, and can rent or own their own home in order to qualify for assistance.

LIHWAP helps families pay the cost of water and sewer services including water, wastewater, sewer, and septic waste. Visit www.uchra.org to learn more.
