A SWEET THANK YOU FROM A MACON COUNTY TRANSPORTATION CLIENT

Macon County UCHRA office staff and the Public Transportation team have helped Markus get to dialysis appointments three times a week for more than a year. He recently received a kidney transplant and is doing great!

To express his thanks to the team, Markus stopped by the Macon County UCHRA office with a beautiful cake; stating that all of the drivers and staff have been so good to him and that UCHRA Public Transportation was a blessing throughout his journey.

Thank you, Markus! We wish you many years of continued health!

UC OPIOID ABUSE SUMMIT

Thank you to all of the panelists, mayors, and subject matter experts who attended the Upper Cumberland Opioid Abuse Summit at the Upper Cumberland Development District office on Jan. 31. During the summit, panelists and attendees discussed the best uses of opioid abatement funding.

About the abatement funding: Tennessee has joined a broad coalition of states and subdivisions in reaching a \$26 billion settlement with four companies to resolve legal claims for their role in the opioid crisis. Tennessee's share of the settlement funds is expected to exceed \$600 million over 18 years.

CHEERS TO 50 YEARS, UCHRA!

This year, UCHRA along with the other eight human resource agencies across the state will mark 50 years of working to improve the quality of life throughout the region and the state. In 1973, the Tennessee General Assembly established the Human Resource Agencies to be the delivery system for human services throughout the state.

In recognition of this milestone, you are invited to share any of your archival photos showing the agency and its employees at work throughout the years.

Please contact Amye Anderson for more information (aanderson@ucdd.org) about submitting photos.
