

**Upper Cumberland Human Resource Agency  
Weatherization Readiness Program Bid Invitation**

**Date:** 04/24/2023

**Job Physical Address:** 112 Zollicoffer Rd.; Livingston, TN 38570

**Administrator:** Tommy Simcox

**Inspector:** Tommy Simcox

**Bid Due Date:** COB 5/9/2023 to the attention of LaNelle Godsey or Jordan Herald at the Upper Cumberland Human Resource Agency Central Office, 580 S. Jefferson Ave.; Cookeville, TN 38501. This bid will be opened on Thursday, May 11, 2023, at the UCHRA Central Office at 10 a.m. As always, you are more than welcome to attend.

**Scope of Work:**

Replace missing sheetrock of the same thickness of the original on the ceiling of the home that has fallen due to a roof leak. There is one bedroom (approx. 12' x 12') that the complete ceiling needs replaced and two areas in the living room area (40 sq. ft. total). The sheetrock is to be attached, joint compound with tape applied, sanded, and an additional coat of joint compound applied and sanded suitable for the client to paint. The bedroom ceiling must be taped in to the sheetrock walls.

The contractor will remove all waste and debris from the property.

This job must be completed in accordance in TN SWS specs.

**The contractor must be an EPA Lead-Safe Certified Firm under the 2008 Renovation, Repair, and Paint Rule and all records requirements and work practices of the Rule must be met. Pictures must be provided to UCHRA showing all lead-safe procedures completed in all affected areas.**

**The contractor must also provide a copy of their Tennessee Contractors License or Tennessee Home Improvement License, EPA Lead Safe Certified Firm Certification, and Liability and Workman's Comp Insurance with the bid if not previously on file with UCHRA.**
